This method offers the student the possibility to work with a leading language teacher and legal specialists on the preparation of the ILEC examination .

With a programme adapted to the requirement of each student the professors offer a blended programme dividing the classes between 30% face-to-face sessions and 70% with teachers online learning (connection with the teacher by skype).

It allows each student to agree beforehand the amount of hours and the focus learning required and to plan the preparation based on a personalised assessment done by the teacher.

Note that the average hours required to prepare the ILEC ranges from 16 to 32 hours, based on the student's level of English..

- Option A*: 8h minimum 355 €

- Option B^{**}: 16h minimum 635 €

** Any extra hours arranged will be charged once agreed with the teacher at a rate of 35€/h.
