**Iberian Lawyer joins forces with the new UNICEF allies to develop activities that help us reach an important objective. We are collaborating with a group of leading lawyers and law firms with a strong social conscience and that support the idea of collaborating with UNICEF and children in need.**

Through this platform, each UNICEF ally will open their own 'action' (sporting challenge, meal with friends, adventure, journey, birthday, tournament, etc) and establish their own fundraising target.

Then together we will join the totals of each action to rise from the initial objective, BASE CAMP (1,000€), to THE CLIMB (€5,000) until we arrive at THE SUMMIT (€10,000).

UNICEF decides on the destination of the donations depending on the most current emergencies.

TODAY WE ARE HELPING THE CHILDREN IN SYRIA.

Thank you for joining this challenge. If you want to be a UNICEF ally
