After the integration of **Diego Gutiérrez** into the firm led by **Alejandro Rey**, the firm called RS Boutique Legal has been renamed RSGM Abogados.

Alejandro Rey founded RS Boutique Legal in 2021 after leaving the firm Ayuela Jimenez. He is the president of the Spanish Insolvency Law Club (CEDI) and has more than 15 years of experience in the spanish legal market. Now together with Diego Gutiérrez, until now, a lawyer at CGC Abogados, they founded RSGM. Diego is vice president of CEDI and is specialized in commercial, corporate and insolvency law.

"With the union of Diego Gutiérrez Medina, his team, and my professional project, we intend to respect the path previously marked by both with the high specialization in insolvency law and business law as an added value to offer our clients" said Alejandro Rey in his social media.
