Allen & Overy has advised EIG and Generali Global Infrastructure in relation to a new corporate debt facility granted to Opdenergy to further develop its medium-term growth strategy.

EIG is an institutional investor in the global energy sector, headquartered in Washington D.C. and specialised in private investments in energy and energy-related infrastructure on a global basis.

Generali Global Infrastructure is an asset management company specialised in infrastructure investments, based in Paris. The investment solutions deployed by Generali Global Infrastructure aim to contribute to sustainable development.

Allen & Overy advising team was formed by the partners, **Jimena Urretavizcaya** (picture left) and **Charles Poole-Warren** (picture right), the senior associate, **Nuria Castro**, and the associates, **Pelayo González**, **Sherin Bhasker** and **Sarty Sengupta**.
