Cuatrecasas has advised British AnaCap on its acquisition of Spanish software developer Gestión Tributaria Territorial (GTT)

As [Iberian Lawyer announced](#), GED Capital, advised by KPMG Abogados, has agreed to sell Spanish software developer Gestión Tributaria Territorial to British AnaCap Financial Partners for €120 million.

Cuatrecasas advised the seller with a team led by London office M&A partner Marco Antonio Sanz Pérez (pictured) that included London office M&A associate and member of the German desk María Dolores Colomer, Barcelona office Finance senior associate María Lérída and London office Finance associate Fernando Garí.
