Andersen advises, BME Growth listed companies, Squirrel Media and Mondo TV Studios on the acquisition of the animation production company.

Andersen partners **Jaime Aguilar** and **Patricia Motilla** have led the transaction from the M&A and culture areas, respectively, together with a team comprising **Jesús Alemany**, tax director, **Nerea Sanjuán**, IP director in the culture area, and **Mayo Torres**, M&A associate.

With this transaction, Squirrel Media has agreed with the Italian parent company of Mondo TV Studios, Mondo TV, the acquisition of 74.24% of this company, which is one of the largest European producers and distributors of animation content.

With this procedure, and following approval by the general meeting of shareholders, Mondo TV Studios will be delisted and integrated into Squirrel Media, which will become one of Europe's largest producers and distributors of animation content.
