Andersen has advised the Vive Solar Group in its incorporation process and in the signing of three co-development agreements for the promotion of photovoltaic installations with the energy companies Halia Distribution Management and Cristugar for a value of more than €30 million.

Vive Solar brings together 30 photovoltaic projects in different degrees of development in Spain (Andalusia, the Basque Country, Valencia and Castilla y León, among others) as well as in Colombia and Guatemala.

The team from Andersen advising Vive Solar Group was formed by: **Ignacio Blanco** (pictured left), director in the energy area, together with **Elena Martínez García**, lawyer in the corporate and M&A area and **Yago Martos** (pictured right), partner in the tax area.
