Andersen has advised Crawford, an American appraisal company, in the purchase of G. Risk, a Spanish firm with more than 30 years of experience in the field of property appraisal.

This transaction is part of the goal of Crawford accelerating its international growth strategy, as well as strengthening its position and specialization in a greater number of fields.

Javier Bustillo (pictured above), Partner in the Corporate and M&A area, has been the responsible for the advising from Andersen in this transactions, together with **Teresa García** (pictured below), Senior Associate in this same department.
