### **With Mafalda Semedo Martins on board, Antas da Cunha ECIJA has reinforced its Real Estate team**

Mafalda (pictured) worked at PLEN firm after having worked at Cristóvão, Fraga & Associados, in the Corporate and Real Estate teams.

According to Henrique Moser, partner in charge of the Real Estate Department, "in view of the numerous requests we have been receiving from our clients in the structuring and development of large scale real estate projects, we feel the need to strengthen the team".

"I am sure that the integration of Mafalda, by its human characteristics and professional experience, is a sure bet that will allow us to improve the high-quality services that we have accustomed our clients to", says Moser.
