Andrés Alfonso, M&A and energy partner, and his team had advised the new investment solar platform formed by **Alantra Solar** (a joint venture between Alantra and Solar) on his last energy operation.

Ashurst team was formed by associates **Beatriz Aizpun**, **Pedro Díaz** and **Macarena Lozano**, and also by tax partner **Ricardo García-Borregón**. The international law firm was supported by both swiss infrastructure asset manager **Reichmuth** and french asset manager **Amundi Energy Transition** on the gradual acquisition from **Solarig** of a portfolio of photovoltaic solar projects located in Spain and Italy with a total capacity up to 1.9 GW.
