Baker McKenzie and King & Wood Mallesons have advised a consortium of investors led by JB Capital Management Iberia Advisors, in the co-investment alongside Bain Capital for the acquisition of the Spanish entity ITP Aero, a world leading company in the aeronautical and industrial engines market for a total deal value of c. € 1,800 billion.

Baker McKenzie has advised the consortium of co-investors led by JB Capital on all the tax and legal aspects of the Transaction while King & Wood Mallesons has advised on the structuring and regulatory aspects regarding the consortium led by JB Capital Management Iberia Advisors.

Baker McKenzie acted with **Antonio Zurera** (partner) and **Jaime Cánovas** (senior associate) who led all tax advice on the transaction. While **Carlos Jiménez de Laiglesia** (team leader) and **Pablo García** (associate - all pictured from left to right) acted in all legal aspects and negotiations with Bain.

King Wood Mallesons acted with **María de Orueta**.
