Balms Abogados has appointed **Julio Aguado** (pictured) as the new president of the firm, replacing **Juan Luis Balmaseda de Ahumada**, who recently passed away.

Prior to founding Balms Abogados in 1989, Aguado practised law in Madrid and Marbella, and established and managed a small franchise of establishments in the province of Málaga.

He also specialised in commercial law, mortgage and procedural law and urban planning law at the Malaga Bar Association.

"I will try to maintain the legacy of Juan Luis Balmaseda de Ahumada," said Aguado.
