The catalan firm of lawyers and economists, Bellavista, joins Morison ACPM, aiming to become one of the ten largest legal operators nationwide.

Bellavista develops its activity in the areas of tax, commercial, inheritance, bankruptcy, procedural, real estate, labour, intellectual property and LOPD law. This strengthens both Morison ACPM's human team and expands its professional areas, especially in the legal field.

In turn, the catalan firm has offices in Granollers, Barcelona and Madrid, where it has around 30 professionals.

"We are proud to be able to add to our legal expertise the services offered by Morison ACPM, which are of high added value for our clients," said **Carlos Nicolau** (pictured), partner in charge of the legal department at Bellavista.

The resulting firm will have offices in Barcelona, Madrid, Valencia and Girona. The team will have more than 250 professionals and expects to reach a turnover of €20m by the end of 2022.
