Baptista, Monteverde e Associados has promoted IP senior associate, Hugo Monteiro de Queirós, to partner

After four years in the firm, he has become a partner, reinforcing the commitment of the firm in the areas of Industrial Property, Copyright, Software, and Advertising. According to the firm "this decision reflects the recognition of personal and professional qualities of BMA's lawyers as well as the consistency and excellence of their capabilities."

Hugo's areas of expertise include Industrial Property rights Arbitration and judicial Litigation and legal advice in the context of these rights.
