Broseta has appointed Rosa Vidal as managing partner.

Vidal replaces Luis Trigo, who will now focus on "leading the international expansion of the firm", according to a statement.

It added that Vidal would oversee the daily and operational management of the firm while continuing her usual responsibilities.

Vidal has previously worked for the Autoridad Portuaria de Castellón, the Valencia Regional Administrative Economic Court, the State Agency for Tax Administration and Radio & Television Valenciana, where she was president of the board of directors and director general.

Manuel Broseta, senior partner of Broseta, said: "Rosa Vidal is the ideal figure to lead the firm in this new phase of consolidation and diversification of the business in which we are immersed. As well as

excellent professional qualities, she has an unconditional dedication to the firm and an enormous capacity for the management of the team".
