Broseta Portugal has advised BigCity, a UK company specialising in the development, investment

and management of student and co-living residences, during the process of creating and building a new university residence in Porto

The completion of the project is scheduled for July 2022 with an estimated value of around €30 million.

The BigCity Asprela university residence, consisting of 10,850m² is located near the Asprela campus, at the University of Porto, which includes 35,000 students.

BigCity was founded in order to provide quality, purpose-built student and co-living accommodation, in key European markets.

The Broseta team involved in the operation was led by lawyers António Oliveira e Silva (pictured left) and Gonçalo Achega (pictured right).
