Caiado Guerreiro has reinforced the areas of Tax, Litigation and Arbitration by integrating **Oksana Polishchuk** and **Matilde Alves Lourenço**. The Ukrainian lawyer, Polishchuk, holds a Law degree from the University of Lisbon Law School and a post-graduation in Tax Law.

Matilde Alves Lourenço holds a Law Degree from the Porto University Law School, with a Post-Graduation in Law and Technology from the Portuguese Catholic University. The lawyer has developed her practice in artificial intelligence, data protection, privacy and cybersecurity.

"For Caiado Guerreiro it is important to have differentiating valences and to be able to provide a quality service to our clients, also creating, in our team, learning dynamics among all," said **João Caiado Guerreiro**, managing partner of the firm.
