Caldeira Pires has hired **João Cintra Costa** (pictured) as a consultant. In this new position, Cintra Costa will advise private clients and companies in different sectors, focusing his activity especially on renewable energies, real estate and corporate law.

The firm's new consultant has extensive experience in legal advice and consultancy, with an emphasis on corporate and real estate matters. He has held various positions and has been a director of several companies in the biomass, energy and real estate sectors.

He has also been President of the General Assembly of the Academic Association of the Lusíada University and Vice-President of the FNESCP and, since 2021, President of ADLEI - Association for the Development of the Leiria Region.

"João is a lawyer with vast experience, which makes him a versatile professional, able to act in different areas of expertise, particularly in the corporate and real estate areas. We are confident that João's arrival will contribute to our continued growth and to the improvement of our services," said the firm's Managing Partner, **Félix Bernardo**.
