Clifford Chance advised Ardian on the financing for the acquisition of a wind farm portfolio from

Renovalia Reserve

Ardian has entered into a holdco financing of EUR 401,000,000, granted by a syndicate of financial institutions in which Banco Santander, S.A. acts as agent, for the partial financing of the acquisition of a 419.16 MW wind farm portfolio from Renovalia Reserve and the refinancing of the existing project financings related to each of the acquired projects.

The team from Clifford Chance was led by partner Jose Guardo (pictured), and included associates Eugenio Fernández-Rico, Ana Cano and Andrea de Miguel.
