Clifford Chance has advised Banco Santander on a loan granted to the majority shareholder of Greenalia to acquire its shares in the context of its delisting takeover bid with respect to BME Growth.

Founded in 2013, Greenalia is a firm specialised in the promotion and production of electrical energy through biomass installations, the company is vertically integrated from the origin of the raw material to the production of energy.

The team from Clifford Chance advising Banco Santander was led by the global financial markets' partner, **José Guardo** (pictured), with the collaboration of the associates from the same practice area, **Gabriel Miranda** and **Claudia de Olarán**.
