Clifford Chance has advised Greenergy Renovables on a €175 million financing for the construction and operation of a portfolio of solar plants located in Guadalajara and Almería (Spain), namely, José Cabrera and Tabernas.

The transaction, signed with Banco Santander, MUFG and Natixis, is a green loan financing and also includes other complementary credit lines. This transaction is structured in such a way that its proceeds will be used to finance 300 MW of renewable energy projects.

The firm team was led by Global Financial Markets partner **José Guardo** and senior associate **Eduardo Sánchez**, with the support of associates **Gabriel Miranda**, **Alejandro Cubillo** and **Juan Conde-Pumpido**. Senior associate **Ángel Muñoz** advised on derivatives related matters.
