Clifford Chance has advised Sunco Capital on the financing granted by Banco Santander for the construction of a 39.96 MWp photovoltaic plant located in the Spanish region Ciudad Real.

In the context of this project financing, a long-term power purchase agreement (PPA) was entered into with a major Portuguese electric utilities company.

The multidisciplinary Clifford Chance team advising Sunco Capital was led by partner **José Guardo** (pictured), with the support of project finance associates **Eduardo Sánchez**, **Gabriel Miranda** and **Elena Euba**.

The core team was assisted by associates **Mónica Romero** on regulatory issues and **Jorge Barrero** and **Itziar Kraus** on Real Estate matters.
