Clifford Chance takes another step forward in its diversity and inclusion policies by joining the Business Network for LGTBI Diversity and Inclusion.

The Business Network for LGBTI Diversity and Inclusion (REDI) is the first network of its kind in Spain, comprising more than 90 companies and 100,000 experts in diversity and inclusion of LGBTI employees and allies.

By joining REDI, Clifford Chance continues to strengthen its strategy of diversity and inclusion, and its focus on positively persuading and empowering people to become inclusion champions.
