CMS Albiñana & Suárez de Lezo has advised on the acquisition of the Fidentia client portfolio

The team advising PIB Group included **Jaime Bofill**, **Guillermo Ruiz Barrilero**, **Andrea Campos** and **Ana Pellejero**, the same team that advised the British group on the acquisition of the Confide brokerage last July and Engloba in October.

The insurance, reinsurance and innovation team of CMS Albiñana & Suárez de Lezo has advised PIB Group on the incorporation of the business of Fidentia Hispana Correduría de Seguros, a firm with experience in the aviation, jewellery and construction sectors, into its operations in Spain.

Since its creation in 2015, PIB Group's business has grown rapidly in the UK and Europe, where it has acquired almost 80 companies.
