CMS Albiñana & Suárez de Lezo advised Banco Sabadell €1 billion agreement with IBM to transform its infrastructure and delve further into digitalization and the use of big data

IBM and Sabadell have signed this 10-year agreement that will help the bank drive its digitalization process and facilitate the strategic evolution of its business.

The team from CMS was led by partner María González Gordon (pictured), and included Elena Esparza (Partner), Ignacio Zarzalejos (Partner), Ignacio Ramos (Counsel), Eva Ceca (Senior Associate)
