CMS Portugal has advised the healthcare investment fund MedCapital, managed by C2 Capital Partners, on the acquisition of a hospital group in the Algarve, the Hospital de Loulé Group.

As a result of this deal, MedCapital will hold a majority stake (60%), while the remaining 40% will remain in the initial shareholding.

The CMS Portugal team advising on this deal was led by Corporate M&A Partner **Margarida Vila Franca** (pictured), together with **Duarte Lebre de Freitas** (Public Law Counsel), **David Apolónia** (Senior Associate, Corporate M&A), **Francisca Pereira da Cruz** (Associate, Corporate M&A), **Santiago Iturriaga** (Trainee, Corporate M&A), **Sofia Costa Lobo** (Senior Associate, Labour Law & Pension Funds), **Leonor Barata da Cunha** (Associate, Labour Law & Pension Funds), **Sandra Teixeira Arsénio** (Associate, Real Estate), **Carlos Henriques Saraiva** (Associate, Real Estate) and **Sara Rocha** (Associate, TMC).

On the sell side, the advice was provided by TELLES Advogados, led by Public Law Partner **Pedro Almeida e Sousa**, and Corporate M&A Partner **Cristina Ferreira**, in addition to the support of **Nuno Marques** (Counsel M&A) and **Catarina Isidro** (Corporate M&A Associate).
