**Costa Pinto Advogados has hired Rita Chambel to reinforce the Tax, Corporate and Commercial teams**

Costa Pinto Advogados strengthens its Commercial, Corporate and M&A Team with the integration of lawyer Rita Chambel (pictured), who transited from Vieira de Almeida, ensuring support in tax matters.

With over ten years of experience in the tax area (KPMG from 2007 to 2010 and VdA from 2010 to 2020), Rita Chambel has extensive experience in advising national and international clients.

For José Costa Pinto, founding partner of Costa Pinto Advogados "Rita's entry represents an unequivocal reinforcement of our team, which we have long been looking for, particularly in tax matters. This entry is also a reflection of the firm's strategy of identifying and seeking reinforcements for the Commercial, Corporate and M&A Team with recognised seniority and experience in the market, which began with Miguel Castro's entry in July 2020".
