Cuatrecasas' Portuguese office advised BIF II Lux Gen on the sale of Bif Portugal Wind to Finerge, a Portuguese group operating in the renewable energy sector

BIF's assets include two wind farms, Toutiço and Lomba do Vale, with an installed capacity of 102MW and 21MW respectively, located in five Portuguese municipalities (Pampilhosa da Serra, Góis, Arganil, Montalegre and Cabeceiras de Baixo).

The team from Cuatrecasas included partners Francisco Santos Costa (pictured) and Pedro Marques Bom and associates Francisco Martins Caetano, Bruno de Zêzere Barradas and Miguel Lencastre Monteiro.
