Cuatrecasas has advised the Spain-based tax consultancy firm, Gestion Tributaria Territorial (GTT), on the acquisition of GADD-Grupo Meana.

GADD is a global software solutions' company that operates in several countries around the world. In Spain, its software can be found in public administrations and private companies in a large part of the country.

Cuatrecasas M&A Partner, **Marco Antonio Sanz Pérez** (pictured), advised Gestión Tributaria Territorial (GTT) on this deal.
