Cuatrecasas, Gonçalves Pereira advised Quaker Chemical Corporation, a US-listed chemical company with a subsidiary in Barcelona, on its acquisition of industrial lubricant company Verkol.

The transaction was valued at €36 million.

The Cuatrecasas team was led by partners Víctor Xercavins and Pablo Paisán.

Xercavins also recently led a Cuatrecasas team that advised listed German company GFT Technologies on its acquisition of the share capital of Adesis Netlife, a Spanish company specialising in IT services for financial institutions.
