Cuatrecasas has advised AC Capitaless SAFI S.A. and AC Capitaless Infrastructure II GP LLC. on the negotiation and execution of a subscription agreement, shareholders' agreement and EPC contract in connection with the acquisition of a 30% stake in Doble Calzada Oriente S.A.S., an infrastructure project of great importance for Colombia.

The participation of AC Capitaless and its entry as a shareholder of the concessionaire is of vital importance, it will provide greater solidity and stability to the project. AC Capitaless manages investment funds focused mainly on the infrastructure and real estate sectors. In addition, it invests in private capital companies and projects, with a medium and long-term maturity outlook.

This was a complex transaction involving the structuring and negotiation of a large number of contracts and agreements that served as the basis for consolidating the participation of AC Capitaless in the Doble Calzada Oriente concessionaire.

The team participating in the deal has been made up of Cuatrecasas' lawyers: partner **Alfonso Reina**, partner **Alessia Abello**, associate **Andrés Felipe Saldarriaga** and partner **Ana María Sanchez**.

**Garrigues** acted with a team from Colombia comprising **Adriana Espinosa Piñeros** (partner), **Andrés Ordóñez-Rizo** (partner), **Cristina Copete Herrera** (senior associate), **Iván Mauricio Fierro** (senior associate), **Juan Manuel Ospina Peralta** (associate) and **Santiago Villamil Ospina** (associate).
