Cuatrecasas, Gonçalves Pereira advised real estate investment fund Corpfin Capital Prime Retail II on its flotation on Spain's alternative equity market MAB.

It is the first time Cuatrecasas has advised a real estate investment fund on its flotation on the MAB. A firm statement said there are plans to advise the same client on a "similar transaction" in November this year.

The Cuatrecasas team working on the transaction was led by corporate partner Juan Aguayo and Cristóbal Cotta.

The team also included tax partner Rebeca Rodríguez.
