Cuatrecasas has advised Grupo Urbas on the incorporation of a promissory notes programme in the Mercado de Renta Fija (MARF) of Bolsas y Mercados Españoles (BME) for a maximum outstanding balance of €50 million.

As a result of this transaction, the financial group will be able to diversify its sources of financing and broaden its range of investors, among other benefits.

The team from Cuatrecasas advising Grupo Urbas was formed by the finance partner **Jaime de la Torre** (pictured), together with lawyer **Jerónimo Poza** from the same area.
