## **assisting them with the Legal requirements of the REIT regime and access to the capital market**

The board of directors of BME Growth has approved the incorporation of REITs Inbest VI and Inbest VIII, which will start with a value of €41.1 and €23.1 million, respectively. The companies' ticker symbols will be "YINB6" and "YINB8."

Both companies acquire real estate indirectly through end-use vehicles (Assets I and Assets II in the case of Inbest VI, and Assets II in the case of Inbest VIII), through which real estate is purchased, managed and sold.

Assets I currently owns a portfolio of assets consisting mainly of buildings and commercial premises located in Madrid, Valencia, Bilbao and Las Palmas. Assets II owns a single asset, the commercial space of Edificio España, located in Plaza España (Madrid).

Cuatrecasas' team was led by partner Juan Aguayo (pictured), principal associate Javier Rovira and associate Graciela Garrudo.
