Dentons has advised Hines, a global real estate investment, development and property manager, on the acquisition of three logistics assets in Spain and the Netherlands.

The assets offer connectivity to the local transportation networks and population centers and the dutch properties are located in close proximity to Amsterdam's Schiphol Airport. In te case of Spain, the logistics center is near Barcelona's El Prat Airport.

The team from Dentons advising on this deal was formed by **Evan Z. Lazar**, Co-chair of Dentons' Global Real Estate Group, oversaw the project which was coordinated by partner **Sona Taghiyeva**. Also, the Real Estate partners **Itxaso Lopez Diez** (pictured) and **Dirk-Jan Gondrie** led the local teams in Spain and the Netherlands, respectively.

Also, the project team included associates **Gumersindo Clemente** and **Francisco de Bonilla Diaz** in Madrid, as well as notary **Ines van Dijk**, senior associates **Stephanie Proost** and **Harti Dumatubun**, and associates **Mert Danismant**, **Yuri Katus** and **Tycho Mol** in Amsterdam.
