Dentons Madrid Banking and Finance team has advised the noteholders and lenders under the issuance of notes and term loan facilities granted to the asset holders of Eliance Aviation group, for the purposes of restructuring the group's financial debt

This transaction provides the company with long-term stability in terms of its external debt undertakings.

This transaction has also allowed Dentons to successfully lever its experience on debt restructuring, asset-backed financing and aircraft finance.

Jabier Badiola (pictured), partner in Dentons' Banking and Finance practice in Madrid, and Luis Belart led the transaction, with support from associates, Ignacio Fernández, and Ana Artola, and paralegal Paula Nuñez and Miguel del Rio.
