

DEVELHOPE: GIUSEPPE MONTANA NEW MANAGING DIRECTOR

Posted on 09/11/2023

Category: [In-house news](#)

Develhope, a talent platform specialising in programming courses, has appointed **Giuseppe Montana** as its new general manager.

With experience in start-ups and giants such as Airbnb, Rocket Internet and Wallapop, Montana

takes on the challenge of consolidating Develhope in Spain.

The profile

Montana began his career in the French company Smartbox and then moved to Rocket Internet, where he led wimdu.com in Southern Europe and Latin America as regional director.
