Dikei Abogados has advised Harmon in the operation of entry into its capital of partners in the financial world, in a clear commitment to the project launched in 2021 by **Jaime Olmos**.

Harmon specialises in strategic advice on reputation, positioning, influence and management of relations with civil society, attracting renowned professionals such as **Carmen Basagoiti**, who joined at the beginning of 2022 as senior partner from the same sector of strategic and reputational advice, along with other relevant professionals in the same field, including **Eduardo Madina**.

The team from Dikei advising Harmon was formed by the partner of the commercial department, **Paloma Pérez de León** (pictured) and the associate, **Pilar Monteagudo**.
