

# DISRUPTIVE LEGAL MARKET- QUICKER, CHEAPER AND FASTER

*Posted on 24/02/2017*

Category: [Videos](#)

General Counsel are taking advantage of new competitors such as Axiom and Lawyers on Demand, which reduce costs and increase efficiency through technology, stream lined workflow, and alternative staffing models. In addition, there is still pressure of "more for less" which is pushing legal departments to review their processes. Considering the workload, mobility and security. How are legal services improving efficiency and productivity?
