DLA Piper has acted as the legal advisor in the joint venture between Spanish HM Hospitals and US Medical Properties Trust (MPT)

HM Hospitales will contribute to the joint venture with two of its Madrid healthcare centres -the HM Sanchinarro and HM Torreloñe university hospitals- with a value of over €250 million.

DLA Piper's team was led by José María Oliva (pictured), partner in the Real Estate area and included associates Adolfo Navarrete and Luis Durbán.
