DLA Piper has advised SD Worx, an HR solutions provider, on the acquisition of Integrho, a payroll and HR software provider for the Spanish market, based in Barcelona. Through this transaction, SD Worx seeks to further strengthen its business in Spain.

The DLA Piper advising team was led by **Joaquín Echánove** (pictured left), corporate partner, together with **Francisco Bachiller** (pictured centre), legal director, and **Luis Villasmil** (pictured right), associate.

"We are very proud to have advised on this important transaction to a company with so much projection in our country and that it has relied on our services to continue advancing in its expansion plans," says **Joaquín Echánove**.
