DLA Piper and PwC Tax and Legal have advised LabAnalysis on the acquisition of a majority stake in Bionos Biotech.

LabAnalysis, one of Italy's leading players in the field of chemical-physical analysis and consulting services for the pharmaceutical, cosmetic, food and environmental industries, has completed the acquisition of a majority stake in Bionos Biotech, Spain-based company specializing in the design and development of efficacy testing for the cosmetic, food and nutraceutical sectors.

DLA Piper assisted LabAnalysis with a multidisciplinary and multi-jurisdictional team composed, for Italy, by partner **Danilo Surdi**, counsel **Matteo Licini** and attorney **Carlos Rosquet Martinez** for legal and contractual aspects, and, for Spain, by partner **Enrique Chamorro** and attorneys **Héctor Gómez Ferrero** and **Carlos Fuerte Jimenez** for Spanish law profiles.

PwC Tax and Legal has advised Bionos Biotech, with a team composed of **Paloma del Moral** (senior manager) and **Inés Sánchez** (senior associate).
