Regulatory Compliance report

A ticking time bomb

The crisis has prompted a run of ever-changing regulations across Iberia, bringing to the forefront the increasing need for legal services on compliance. But more recently, it is the costs of non-compliance that are grabbing the headlines. Cases involving fines, reputational damage and even potential jail terms are highlighting the risk companies take if they do not make compliance a priority.

Law Firm Profile

Doing it the hard way

When the market hears the word 'Miranda', say competitors, they usually think of Africa. The law firm has steadily expanded into the continent over the past decade and a half, with associated offices in Angola, Cape Verde, Democratic Republic of the Congo, Republic of Congo, Equatorial Guinea, Gabon, Guinea-Bissau, Mozambique, São Tomé and Príncipe. And it has no intention of stopping anytime soon, says Rui Amendoeira, Miranda Correia Amendoeira & Associados' Managing Partner.
