Ecija has advised Eurostick on the sale of 100% of its share capital to CoGri Group (UK) and Holding Flat Ingenierie (France).

Eurostick is a spanish company specialised in testing, consultancy and on-site supervision of industrial floors for the logistics sector.

The ECIJA team advising on this transaction was led by the partner, **Leticia Domínguez** (pictured) with the support of senior associate, **Carmen Ciurana** and associate, **Jorge Martín**.
