Ecija has advised Alcaliber, a leading company in innovation in the pharmaceutical sector, in the process of restructuring its workforce through a collective dismissal procedure (ERE), agreeing as accompanying social measures a Temporary Employment Regulation Procedure (ERTE), together with a Substantial Modification of Working Conditions (MSCT) of collective nature and wage unloading measures.

Ecija's labor and employment team, led by **Fernando Vizcaíno**, partner of the firm and the managers **Carlos Carril** and **Jaime Otero**, reached an agreement with the legal representation of the workers of Alcaliber in Toledo, Madrid and Albacete.
