Ecija has advised the Chinese group Rainbow Agro in the purchase of 100% of the spanish agrochemical company Exclusivas Sarabia.

Founded in 2005, Rainbow Agro is a group specialised in the production, marketing and distribution of crop protection products. It has a turnover of more than 1.5 billion dollars and a presence in more than 80 countries on 5 continents.

The team from Ecija advising Rainbow Agro was formed by **Gabriel Nadal** (pictured left) and **Maite Mascaró** (pictured right), partners of the Barcelona office.
