Ecija has integrated Madrid law firm Colón De Carvajal Abogados.

Colón De Carvajal is a member of the network coordinated by Chinese law firm Grandall Law, the fourth largest law firm in China, with more than 2,000 lawyers.

As a result of the integration, Ecija has now created a China desk.

Four-partner Colón De Carvajal was founded in 1985 by Jaime Colón de Carvajal and Alfredo Solana.

Among the Colón De Carvajal's partners joining Ecija is Raquel Garcia-Argudo Mendes, who will head Ecija's China desk.
