Ecija has advised the Spanish production company "Fresco Film Services" in the audiovisual production of "The House of the Dragon", a prequel to Game of Thrones.

This original production of HBO Max takes place 300 years before the events narrated in 'Game of Thrones'. It will tell the story of the beginning of the end of House Targaryen.

The law firm acted with a team composed by **Helena Suárez** (partner - pictured left), **Eugenia Hinojal** (senior associate) and **Javier Díez** (associate).
