Electricite de France EDF, the France based producer and distributor of electricity, has acquired through its subsidiary Edison, a stake in Sistrol, the Spain based software-computer digital company specialized in energy services for the tertiary sector.

The terms of the deal were undisclosed.

Baker McKenzie advised EDF with **Enrique Carretero** (partner), **Carlos Jimenez de Laiglesia** (team leader) and **Modesto Puerta** (associate).

Fourlaw Abogados advised **Sistrol** with a team led by **Francisco Téllez de Gregorio** (pictured).
