ETL Global has appointed **Iñigo Gutiérrez Allué** (pictured), partner of the Bilbao office, as its new audit managing director.

Gutierrez Allué holds a degree in Economics and Business Studies and a Master's degree in Tax Consultancy. He is an auditor and chartered accountant. With more than 15 years of experience, he is an expert in business restructuring and insolvency proceedings, having acted as insolvency administrator in more than 110 proceedings.

This appointment, in addition to recognising his track record and results since joining the group, is intended to drive growth in the audit area, as well as in the areas of corporate restructuring and insolvency proceedings.

"The ETL Global Group has a committed management team with which it aspires to continue to maintain a solid growth in business volume, offering a greater diversity of services within the SME and MiddleMarket market with the constant search for greater efficiency. It is a very exciting project for all of us", said the new board member, **Iñigo Gutiérrez Allué**.
